

Friends,

Are you tired of the same old insider Washington politicians who say one thing yet do another. Time and time again that their words are meaningless...wasteful spending, eroding American jobs, and compromising national security don't add up to who and what we are.

Solutions begin one district at a time. You have another choice this election! I'm a civil servant veteran air traffic controller, with the personal integrity, tough grit, and the keen insight to fight Washington's wasteful bureaucracy.

My most solemn pledge is to adamantly fight to eliminate our outrageous national debt, and take on the massive bureaucracy. I will fight against anti-American interests such as Agenda 21 (the U.N. agenda) which strips individuals of their constitutional rights to private property. Additionally, it's time to stop the rhetoric and get onboard with the FairTax in conjunction with a job market that restores the American dream for every citizen. Our future is brighter than our past!

If you think enough is enough, then consider your vote for me, the right choice for you and your family! Your hard earned financial support will make this campaign a success. Please consider making a valuable donation of \$25, \$50, \$100, \$500, or even the maximum of \$2,500 per individual. Visit www.QuestForAmerica.com to contribute online with your credit card, or mail your valuable donation to the address below.

If you can participate in the campaign in other ways than financially, please consider contacting us. We would love to hear from you!

I look forward to sharing my ideas with you and hearing your thoughts.

Sincerely,

Deborah
